A HEAD OF TECHNOLOGY

1 Go to www.exploratree.org.uk Use without registering with limited features **OR** Register and log in to watch intro video.

Not sure what to do?
> Watch our video to get you started

2 Choose a template from the ready made guides.

3

The green X circle deletes the item.

Green circles with padlocks lock items in one place. Locked items need to be unlocked to edit text and size.

Green circles with numbers indicate the sequence when using "Do it" mode..

Idea or question

Click on an object to edit the text. Use the corners to resize.

Make it your own with these tools.
